“ *Cailee was my neighbor when I was a youngster and was Such a good friend to my mother, and to me when my mother passed away. She adopted one of my kitties that I couldn't keep and I knew she couldn't have gotten a better home. She also helped me out with a couch to sleep on when I was having a hard time, and let me take care if her kitties when she was out of town. I'm so sorry I didn't come looking for Cailee sooner. I hadn't seen her since 2009 or so, I'm so sorry she is gone. The world was a much kinder place with her in it.*

“ *Some time has passed and I still cannot imagine what you were going through. Your kind, gentle and brave spirit is so missed. I will always remember singing with you at SFA and later in life chatting with you comparing how similar our paths had become. I will always remember the stories of you befriending and dining with the lost gentleman from your alley, how you took such loving care of your aunt and your animal companions and those animals whose spirits you met along the way. This world is a much colder place without your bright heart to warm it.*

“ This is sad news. While we didn't know each other well, I always enjoyed Cailee's vibrancy. I hope that those closest to her find comfort in their memories.

“ I'm just stunned and saddened. I knew Cailee at SFA and while we were friendly then, we both had our own groups of friends we were closest to... after high school we reconnected over Facebook and it was then that I felt we truly became friends. She was one of the few reasons I still went on Facebook. I will miss her. I know she dearly loved her aunt and I have to believe that they are together and happy.... white light and love, sweet girl.

My dear Cailee: I am so sorry to hear that you are no longer in this world. I have such fond memories of the two of us taking care of all the CFSA cats, especially Red and Durwood. I never had a worry in the world when you were cat sitting for Murphy while I was on vacation. I have no doubt that you are now in your special spot in heaven with all your animal friends who went before you.
