“*Condolences to other members of the Singer family, I am Andrew Earl Singer, first-born of Lester and Janet Singer. I met Lester after my second trip to Ca., after 6 months of trying to meet him, we finally sat down for an hour over dinner and I met him. The marriage to Janet was difficult for both my mother and father, most difficult for my brother Mark, Lester's second son who is also in Heaven from many years of intestinal disorders. I have a gripe that my father chose to cut me out of his life and I do not know this side of my family tree. I live in South Florida and my phone # is 954-624-2240*
